I understand that the goals of Children's Community Charter School are a partnership between teachers, students, and parents that includes voluntary parent participation, a small cohesive campus, and an academically challenging curriculum.

Recommended Guidelines for each family:

- Volunteer in the classroom or other areas of the campus.
- Participate in stakeholder meetings (LCAP, Charter, Executive Board, Parent Cafe, etc.)
- Participate in one maintenance day per school year.
- Participate in field trips and fundraisers.
- I understand that all absences reduce daily school funding and agree to make my child's daily attendance a priority over personal schedules.

I wish to enroll the above-named child in the Children's Community Charter School.
