### **I. ADOPTION**

In compliance with the Political Reform Act of 1974, California Government Code Section 87100, et seq., Children's Community Charter School hereby adopts this Conflict of Interest Code ("Code"), which shall apply to all governing board members and all other designated employees of Children's Community Charter School ("Charter School") as specifically required by California Government Code Section 87300.

### **II. DEFINITION OF TERMS**

As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations Section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.

### **III. DESIGNATED EMPLOYEES**

Employees of this Charter School, including governing board members for election and/or appointment to the governing board, who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be "designated employees." The designated positions are listed in "Exhibit A" attached to this policy and incorporated by reference herein.

### **IV. STATEMENT OF ECONOMIC INTERESTS: FILING**

Each designated employee, including governing board members for election and/or appointment to the governing board, shall file a Statement of Economic Interest ("Statement") at the time and manner prescribed below, disclosing reportable investments, interests in real property, business positions, and income required to be reported under the category or categories to which the employee's position is assigned in "Exhibit A."

An investment, interest in real property or income shall be reportable, if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or participated in by the designated employee by virtue of his or her position. The specific disclosure responsibilities assigned to each position are set forth in "Exhibit B."

Statements Filed With the Charter School. Statements of Economic Interests (Form 700) shall be filed with the school agency filing officer, who will make the statements available for public

inspection and reproduction. Copies of all statements will be retained by the Charter School.

## **V. DISQUALIFICATION**

No designated employee shall make, participate in making, or try to use his/her official position to influence any Charter School decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

## **VI. MANNER OF DISQUALIFICATION**

### **Non-Governing Board Member Designated Employees**

When a non-Governing Board member designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Principal, who shall record the employee's disqualification. In the case of a designated employee who is head of an agency, this determination and disclosure shall be made in writing to his/her appointing authority.

### **Governing Board Member Designated Employees**

The Charter School shall not enter into a contract or transaction in which a director directly or indirectly has a material financial interest (nor shall the Charter School enter into any contract or transaction with any other corporation, firm, association, or other entity in which one or more of the Charter School's directors are directors and have a material financial interest).

Notwithstanding the foregoing or Government Code Section 1090, *et seq.*, a Charter School employee shall not be disqualified from serving as a Board member due to their status as an employee. A charter school employee who sits on that charter school's Board of Directors shall abstain from voting on, influencing, or attempting to influence another Board member regarding all matters uniquely affecting that member's employment.
