January 2020

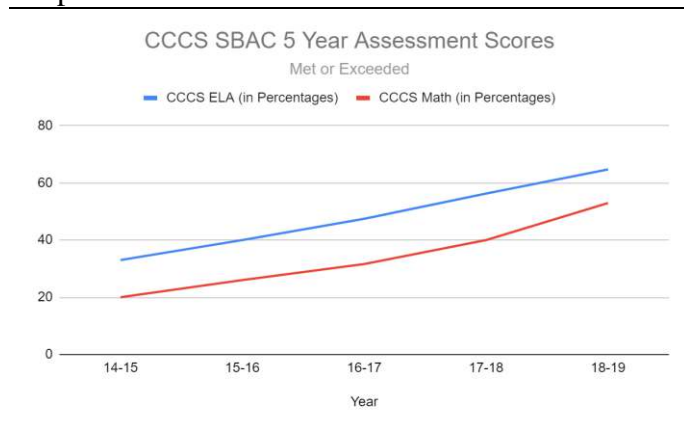

MESSAGE FROM THE PRINCIPAL CELEBRATE SUCCESS!

CCCS has a lot to celebrate! The official indicators have been released and share how our school is performing. Over the past five years, CCCS academic achievement has been steadily increasing setting us apart and showing us leading the state in academic achievement. The first graph below shows the state academic achievement results in the content areas of ELA and Mathematics for grades 3-8. The second graph below shows CCCS academic achievement results in the content areas of ELA and Mathematics for grades 3-8.

Graph 1

Graph 2

Through effective School Board oversight, the staff at CCCS has consistently offered an exceptional school experience for TK-8th grade students and families. It is our goal to continue this trend data and seeing increased indicator results – from student achievement to a positive school climate.

Parent Cafe December 16th, 2020

Please join us for a morning filled with coffee and breakfast treats. This month we will be **Looking Back and Looking Forward – An Overview of Our Program**. It is important that we have stakeholders around the table to provide input and suggestions. Dr. Farrer will be facilitating the discussion – all are welcome.

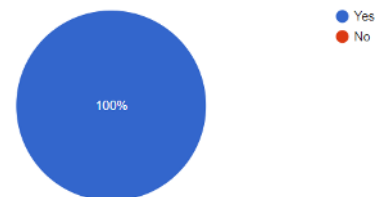

Time: 8:45 am – 10:00 am

Parent Survey Snippet

One hundred percent of parents surveyed during our November 2019 survey believe CCCS is adequately preparing children for success after leaving CCCS.

12. Do you feel that our school is adequately preparing your child for success after leaving CCCS?
