November 2019

### MESSAGE FROM THE PRINCIPAL Retirement Announcement

After 14 years of dedicated service to Children's Community Charter School, Ms. Nancy Hardy plans to retire on November 8<sup>th</sup>, 2019. In 2005 Ms. Hardy started at our school being a middle school Art elective teacher where she inspired students to create beautiful art from painting to ceramics to clay to paper buildings. In 2006, Nancy began pushing into the elementary classes once a week to deliver art instruction. Because of her knack for teaching creative art, our students have been given the gift of exposure to a content area that benefits their minds and opens their exposure to a future in the art world.

Ms. Hardy has big plan for her new life in retirement. She plans to focus on herself and improve her physical health. She also plans to go to lunch with her younger sisters who are also retired. As a never ending learner, she plans to take a Drawing and Design class at Butte College. Her retirement agenda consists of painting, gardening, visiting friends, fishing, and flying to fun places in her 1937 Super cruiser. She is especially excited to sleep in!

It is with great sadness for our loss, but much happiness to a teacher who is extremely loved, we say Happy Retirement to our very own Nancy Hardy. We look forward to her occasional visits and we cannot wait for her to substitute teach at CCCS.

### Community Commemoration Day November 8<sup>th</sup>, 2019

Please join us for a morning filled with special songs from our whole school, from 3<sup>rd</sup> grade, from TK/K & 4<sup>th</sup> grade, and a special appearance from the PV Choir. We are also offering special time for a fun art project for the whole family. All families are invited to taste delicious goodies, sing songs to uplift, and create art by participating in Chalk on the Walk.

Time: 8:30 am – 9:30 am
