October 2019

### MESSAGE FROM THE PRINCIPAL

We are committed to three school-wide initiatives. Our focus this year is PBIS (Positive Behavior Intervention System), PLCs (Professional Learning Communities), and Partnerships (with families). PBIS is a positive culture incentive program. As a whole school, we learn about behavior expectations and we celebrate positive behavior with a Hawk buck. Students will have an opportunity to visit the Student Store once a month to purchase fun items with their Hawk bucks. The behavior expectations are as follows:

- Be Respectful
- Be Responsible
- Be Prepared
- Be Safe

We are in the first stages of rolling out this initiative. We have a PBIS team that is being trained by BCOE who will help guide our progress and fidelity. Parents can partner with us by reinforcing the same expectations at home. We are also open to accepting donations for our student store. Our middle school students would like relevant (and cool) items to purchase. Things like scooters, iPads, popular middle school books, etc. would be appreciated. We expect the student store to start in November.

### Career Day 2019

Do you have an interesting career? We are hosting a Career Day on Wednesday, November 13<sup>th</sup> from 8:00 am to 11:30 am and would like you to volunteer to share your career with our students. Volunteers will share one ½ hour presentation in classrooms. This same presentation will be given three times. All volunteers will be provided breakfast, instruction for the day, and a final gathering for appreciation. It is important that our students see a variety of careers in order for them to choose a direction for their lives.

If you would like to volunteer, please call our school and let us know! You can always tell someone at the front desk and we will sign you up.

### Grandparents Day 2019

What a great event! All classes invited grandparents to attend our annual Grandparents Day. Students and grandparents were able to participate in a classroom craft, students ate lunch with their grandparent, and they were also able to participate in another craft outside at lunch. The day was festive and full of love. We are so thankful for the generational support!

### Upcoming Events
