### MESSAGE FROM THE PRINCIPAL

#### Love is in the Air!

February makes us think about love because of Valentine's Day. But we do not need Valentine's Day to remind us that we LOVE our school. Because we love our school so much, we get involved and show up to shape the culture and the future of our school.

#### We Need You to Show Up!

What sets us apart from other schools is the fact that we have consistent parent participation. As you know, we will be going back to Paradise next year and we need to grow our student population in order to be a viable operation. We are asking you to tell your friends who might be interested in our school to attend our **TK-8<sup>th</sup> Grade Enrollment Informational Night on Tuesday, February 4<sup>th</sup> at 5:30**. Families can pick up an enrollment packet and meet the teachers for next year. We will share all about our school.

The next event we would like you to come to is our **LCAP (Local Control Accountability Plan) and General Membership Meeting #2**. We need you to come to the table to hear all about our school, our goals, and how we spend our funds. Your input is valuable. We promise this night will be worthy. We are planning a dinner and we will have activities for the children as well as staff to watch the children while we are sharing important information. This meeting is scheduled for **Thursday, March 19<sup>th</sup> at 5:30**.

Another important thing we are asking you to do is fill out the **2020 Census**. Our school can help support you with that. We will have computers set up in our office that you can use to fill out the Census. We are giving away two fun incentive baskets for every family that fills out the Census form. **Census Week is March 23 – April 10<sup>th</sup>**. Households can fill out the Census form online, over the phone, or through a paper questionnaire. All CCCS families who fill out the form are eligible to add a raffle ticket to the incentive basket located on the front office desk.
