MESSAGE FROM THE PRINCIPAL

Our Whole Staff Voted!

We are proud to announce Mrs. Washburn as the 2019-2020 Teacher of the Year. Mrs. Washburn is our 6th-8th grade middle school History teacher. Mrs. Washburn goes above and beyond the call of duty for her students and for the whole school. Mrs. Washburn has been in charge of our Awareness Months and Spirit Weeks this year. She teaches our whole school about important issues with a sensitive spirit. She also leads our PBIS committee, sits on our Leadership committee, and has created our new and improved CCCS website! It doesn't go unnoticed that she arrives on campus early and stays late every day. Melissa is a person who can be counted on to engage students in lessons about History in a creative and clear way. She is an expert at differentiation. Mrs. Washburn's contributions to our school make our school a better place for all.

We Need You to Show Up!

The next event we would like you to come to is our **LCAP (Local Control Accountability Plan) and General Membership Meeting #2**. We need you to come to the table to hear all about our school, our goals, and how we spend our funds. Your input is valuable. We promise this night will be worthy. We are planning a dinner and we will have activities for the children as well as staff to watch the children while we are sharing important information. This meeting is scheduled for **Thursday, March 19th at 5:30**.

The Emperor's Groovy New Clothes

Our spring musical is in full motion. Under the amazing direction of Mrs. Sobon and Mr. Ben, our students have been practicing and rehearsing on a regular basis. Mrs. Sobon is bringing the story to life with regular practices and we appreciate the efforts of our whole staff as they bend and flex in order for our students to have this opportunity. Mrs. Sobon is requesting families to help with props. If you would like to help and support – please reach out to Brenda Sobon at bsobon@paradiseccs.org.
